CLARIFICATION

It is being brought to the attention of all concerned that the Times of India, Kolkata edition, dated 27th July 2017 had carried a report on the revised syllabi and question papers for the ICSE and ISC Examinations.

The newspaper report in the concluding sentence inadvertently stated, " letter writing has been replaced with email writing for the ICSE English Language Paper..."

It is clarified to one and all that in addition to letter writing, *email* writing and writing of a *notice* has also been included in the ICSE English Language Paper from the examination year 2019 onwards.

Kindly note the clarification and inform the concerned teachers and students accordingly.

With warm regards,

Yours sincerely,

Gerry Arathoon

(Chief Executive & Secretary)
