To: Heads of all ISC Schools

Dear Principal,

Subject: ISC Workshops to be conducted at CISCE's Kolkata office

Due to the overwhelming response to the Council's ISC subject workshops at our Kolkata Office, it has been decided to conduct another set of workshops at our Kolkata office. The dates and subjects for the same are mentioned below:

1. **28th & 29th August 2017 – Physics**
2. **30th & 31st August 2017 – Chemistry**
3. **7th & 8th September 2017 - Biology**
4. **14th to 16th September 2017 – English 1 & English 2**
5. **5th & 6th October 2017 – Mathematics**

It has been observed in the earlier workshops, some schools nominate 2-3 teachers per subject workshop, thereby eliminating the chances of a more varied representation of schools.

In order to give a fair opportunity to many more schools to attend the above workshops, schools are hereby requested to nominate only one teacher per subject workshop.

The portal will be activated from Tuesday, 1st August 2017 at 9:00 a.m., to enable schools to submit their nominations online for the above workshops. It will be on a 'first come, first serve' basis. The portal will automatically close for each subject workshop after the required number of seats are booked.

With warm regards,

Yours sincerely,

Gerry Arathoon

(Chief Executive & Secretary)
